St. Luke's Hospital School of Nursing (1943 - 1946)

O, Why is Fate so cruel to me
To make me love like this,
A girl I never, never see
And always, always miss.

It breaks my heart to hear her say
With voice so soft and sweet
"I'm sorry, can't get off today—
Am rushed quite off my feet!"

A nurse's life is hard to take,
Especially for me,
Cause it's my heart that she will
break
If I will let it be.

You're a brave and noble girl, my
dear,
To finish what you start;
You have my blessings on your
career—
But give me back my heart.

To any man who reads this verse
I've only this to say:
Don't fall in love with a student
nurse—
She can never get away!

Two More Positions Filled On Lakeland College Staff

Two positions, one of them new, have been filled on the Lakeland College staff for the 1960-61 school year.

Vice President John B. Morland today announced the hiring of the Rev. Walter Trost, formerly of Milwaukee, as the new college chaplain, and Mrs. Jo Ann Hawley, formerly of Dover, Ohio, as the school nurse.

The Rev. Trost has just completed 11 years of missionary work in Ghana, Africa, where he was serving as principal of Mawuli School (equivalent to a senior high school and junior college in the United States). During this time he was also chaplain to the Mawuli community.

He was chairman of the Evangelical and Reformed church's youth committee, a member of the higher education committee and outside of the church served on the Student's Advisory Committee on Overseas Education.

The new Lakeland chaplain is a graduate of the University of Wisconsin. He attended Mission House Theological Seminary for one year and then transferred to and graduated from Eden Theological Seminary, Webster Groves, Mo. Post-graduate work in zoology and botany was accomplished at Washington University, St. Louis, Mo.

At one time he was a chemistry professor at Lakeland, while holding a pastorate at Random Lake. He has served on the Christian Education Committee of South Wisconsin Synod, was the synod youth director, was chairman of the joint committee of North and South Wisconsin Synod for stu-

dent work, and for many years was a staff member of various church summer camps and conferences.

Responsibilities of the new chaplain, as outlined by the board of trustees, are:

To coordinate all religious activities on the campus, to be responsible for arranging regular chapel services, to act as a counselor in personal matters and crises for all members of the academic community, to represent the college at off-campus meetings or services and to respond to speaking and preaching invitations *as time allows*.

Mrs. Hawley is a registered nurse and a graduate of St. Luke's Hospital of Nursing, Cleveland, Ohio. She received her public school education in Dover, Ohio. She is living in Franklin at present with her husband and four children.

Vice President Morland said Mrs. Hawley will have regular hours on the campus and will be on call at all times for emergencies. She will have her office in the infirmary of the new women's dormitory.

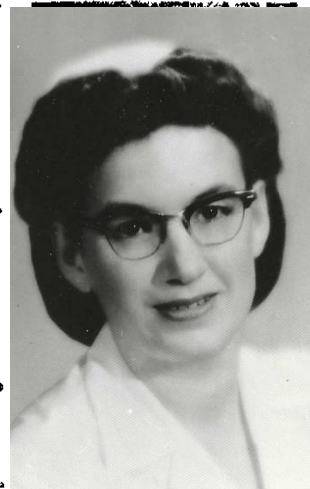

Club Picnic And Shoot On Sunday

The Rhine Field and Stream Club, Inc., will hold a merchandise trap shoot in conjunction with the annual picnic at the club grounds Sunday, Aug. 21.

The site is at the club grounds a quarter mile south of Crystal Lake on County Trunk C and the public is invited to participate.

U.S. Bike Racers Relish European Fans' Enthusiasm

ROME (UPI)—Bob Pfarr of Kenosha, Wis., and four other American bicycle racers have found in Italy a type of hero worship for their breed that is unheard of in the United States.

The American Olympic bikers—Pfarr, Jim Rossi of Chicago, Charles Hewitt of Libertyville, Ill., Allen Bell of Somerville, N.Y., and Dick Cortright of Buffalo, N.Y.—have found themselves to be real celebrities here.

"At home, we're less than nothing," Rossi, winner of the U.S. track title for the past two

years, said as he and his teammates unpacked and began to assemble their bikes in the shade near their Olympic village quarters.

"Here in Europe, they love cycling. We'll hear cheers during the competitions we never heard at home—and it'll make most of us go like bombs," Rossi continued.

Pfarr, perennial Wisconsin bicycle champion, runnerup to Rossi this year and a former national titleholder, just smiled in assent of the Chicagoan's comments.
